## September 9, 2025 Club Meeting and News

### Speaker: Nyron McLean

Nyron, our 2025–2026 District Governor for Rotary District 5330, has been a dedicated Rotarian since 2010 with the Rotary Club of Riverside Sunrise. He's a dynamic, one-of-a-kind speaker you won't want to miss! This Tuesday, Nyron will induct **Kristin Countryman** into our club. Let's show our support by being there to welcome her.

The first committee meeting was held September 4 at Barry's home. Thank you to Barry Hoy, Bob Gladwell, Jay & Ronda Rynda, Terry Ebert, Elizabeth Whitney-Olivas, and Jeri Simpson for coming out to support our signature fundraising event. Lots of great brainstorming (and a little wine!) helped get things rolling. We look forward to the ENTIRE Club joining in to make this a success.

### International Project Opportunity in Belize

Plans are underway for a Mountain Tri-Club service project with HAFDRA in Belize. We hope to send two of our members to join physicians, dentists, nurses, and other professionals in providing much-needed care to local communities.

needed care to local communities.

### Global Grant Opportunity

Our club will be using its Global Grant allocation of \$1,426 (returned to us from The Rotary Foundation) to support the Rotary Club of Cochin Queen City, Kakkanad, Kochi, Kerala, India. These funds will help purchase an x-ray machine for Thrikkakara Municipal Co-operative Hospital.

This project costs our club nothing but will do so much good. This is why we give to The Rotary Foundation!
